About Hiap Huat

Hiap Huat Holdings Berhad (Bursa: HHCORP) is a dynamic Malaysian corporation with a diversified portfolio spanning Scheduled waste management, Petroleum refining, Petrochemical refining, Sustainable product refining and Liquid Bulk Terminal. Since our public listing in 2011, we have established ourselves as a leader in the industry, adhering to rigorous corporate governance standards and prioritizing environmental, social, and governance (ESG) principles.

We are committed to fostering a collaborative and empowered workplace, where our talented team members can thrive and deliver exceptional value to our customers and stakeholders. Our focus on innovation, sustainability, and long-term growth positions us as a key player in Malaysia's evolving industrial landscape.

Our group has achieved various compliances certified by ISO, and ISCC. We are recognized by certification such as ISO 9001 2015, ISO 14001 2015, ISO 45001:2018, M S ISO AEC 17025 2017 & ISCC (International Sustainability Carbon Certificate). We give assurance that we will deliver best services and value products to our customers.
